REAL FLESH BUILDER

Argo-Phosphate contains phosphates such as physicians all over world are prescribing to build up run-down, anemic conditions and changing thin, anemic women with toneless tissues, flabby flesh into the most beautiful, rosy-cheeked and plump, round formed women imaginable.

NOTICE—Dr. Frederick Jacobson says: Argo-Phosphate builds up all run-down constitutions in a few days wonderfully.

Objectionable Flea.

"What I most object to," remarked the Airdale Pup, "is the flea who thinks he is doing me a favor to associate with me."

GOVERNOR MORROW PROCLAIMS LABOR DAY.

Governor Edwin P. Morrow issued a proclamation Saturday, declaring Monday, September 6, a State holiday in honor of Labor Day. The proclamation follows:

"By the power and authority in me vested I declare Labor Day a State holiday and urge the people of the Commonwealth to assemble together on that day in grateful appreciation of the manifold blessings which come to all from the countless paths of toil, that a deeper appreciation of the honor and dignity of labor shall be born within every heart, and there shall come a new determination to do well the work which lies at our hand to the end that we shall renew our labors with a new and more abiding determination for the betterment of the world and its people."

The real successes go to men who hold on until they get their second wind. Nobody gets very far the first spurt.

A BIT OF ADVICE

First — Don't Delay — Second — Don't Experiment.

If you suffer from backache, headaches or dizzy spells; if you rest poorly and are languid in the morning; if the kidney secretions are irregular and unnatural in appearance, do not delay. In such cases the kidneys often need help.

Doan's Kidney Pills are especially prepared for kidney trouble. They are recommended by thousands. Can Paris residents desire more convincing proof of their effectiveness than the statement of a Paris citizen who has used them and willingly testifies to their worth?

Wm. W. Dudley, 1729 Cypress street, Paris, says: "Some years ago I found it necessary to use a kidney remedy and as I had read about

Doan's Kidney Pills, I used them. They proved to be satisfactory and permanently rid me of the complaint. I have good reason to recommend Doan's Kidney Pills and advised their use to anyone troubled with a weak and lame back or irregular passages of the kidney secretions."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Dudley had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (adv)

Mother Love.

A mother's love is indeed the golden link that binds youth to age; and he is still but a child, however time may have furrowed his cheek, or silvered his brow, who can yet recall, with a softened heart, the fond devotion, or the gentle chidings, of the best friend that God ever gives us.—Bovee.

Soda Imports.

About 900,000 tons of nitrate of soda are imported to the United States from Chile annually.

Cement Substitute for Lead. Cement as a substitute for lead in connecting the joints of cast iron water pipes is employed in Portland, Ore., with great success.

NUXATED IRON

Dr. Ferdinand King, New York Physician and Medical Author, says: "It is my opinion that in practically nine times out of ten, unstrung nerves and failing strength and vitality are due to deficiency of iron in the blood. I am convinced that there are thousands who, simply by taking Nuxated Iron, might readily build up their red-blood corpuscles, increase their physical energy and get themselves back to vibrant and vigorous health."
